Training Schedule

January

Introduction to Flower Arranging

Brighten up the winter doldrums with a lesson on flower arranging! We'll work with a variety of cut flowers such as daisies, irises, and roses as well as greenery and accent stems to create beautiful bouquets.

February

All About Herbs

Get ready for spring with a fun-filled class all about herbs! We'll learn about the types of herbs that are easy to grow indoors and out, how to identify herbs by appearance and smell, and how to use fresh and dried herbs in a variety of ways.

March

Perennial Garden Design

This seminar will cover the basics of planning a perennial garden. Learn how to determine the amount of space you need, how to lay out the garden, and how to select the right types of plants.

Instructors

January: The instructor for the introductory Flower Arranging class is Mary Beth Longrin. Mary Beth has been an employee of Liberty Blooms for three years. She specializes in centerpieces for special occasions.

February: Frank Smiley, owner of Smiley's Catering Service, has agreed to lead All About Herbs. Frank uses many home grown herbs in his catering business.

March: The Perennial Garden Design seminar leader is Vicky Devereaux, the director of the Mid Atlantic Horticultural Association. Vicky is considered an authority on garden planning and design.

Classes are free and open to the public. However, due to the limited space at Liberty Blooms, we must restrict all class sizes. To register, or for more information about these and other events at Liberty Blooms, call 215-555-2837 or visit our Web site www.libertyblooms.net.
