

Horticultural Shop Owners Association

452 Cathedral Street - Baltimore, MD 21201

MEMORANDUM

Date: February 26, 2008
To: All HSOA Employees and Volunteers
From: Marcos Hurtado
Subject: Regional Meetings

As most of you know, the HSOA regional chapters hold general memberships meetings twice each year.

Below are the dates and locations of the three regional meetings scheduled in the coming months. Let me know if you would like to attend any of the meetings and I will make the travel arrangements.

These meetings are usually informative and fun. It is a great opportunity to meet other association members and to share ideas.

Unfortunately, HSOA does not have the resources to pay for travel and accommodations, so the cost of the trip

must come out of your own pocket. If you want more information, I can put you in touch with a regional representative.
